

Dent Parish Council Sub-Committee Authority Request

Committee **Car Park**

Date **13 January 2020**

Purpose of the Report

To enable the Parish Council to make a decision regarding the purchase of a noticeboard to replace the barn doors.

Recommendation

Option 2 – Aluminium noticeboard with thumb locks from Noticeboards Online

Context

See Car Park Committee minutes, Monday 13 January 2020, minute CP31/19

Alignment to Dent Parish Council Objectives

Promoting Tourism and the Dale – Display of notices of upcoming events may increase tourism.

Improve Health and Wellbeing and the Environment of the Dale – Display of notices will help members of the community

Background

The barn doors have been covered by scaffolding and fencing since the beginning of October 2019. There is now nowhere to display public notices. With the work on the barn likely to take a number of months it is important to provide a noticeboard accessible to all.

Options Considered

1. Do nothing and wait until work on the barn is finished
2. Purchase a new noticeboard from Noticeboards online

Financial Implications

Noticeboard - £595.00 + VAT

Conclusion

To purchase the new board and erect it on the front of the bus shelter, moving the current transport noticeboard inside the bus shelter.

Ian Mitchell

Chair of the Car Park Committee
