Cowgill Church Community

St John the Evangelist Church in the remote community of Cowgill is more than a place of worship, it's also a centre for community life. As well as regular services, it is used frequently for events such as coffee mornings, lectures, exhibitions, concerts, meetings.

Working with the extended Cowgill Church Community we seek to maintain and conserve this Grade II listed building for this generation and its successors.

Our current redecoration project is due for completion in time for Harvest Festival. Thanks to all have supported this work and we hope you will join us on Sunday, October 21st at 2:30pm for a special service of thanksgiving.

Ideas for the next phase of work include developing a meeting area for the community; developing a railway heritage trail and venue for concerts. We welcome any further suggestions.

But maintaining and conserving this ancient building comes at a price. Our fund-raising efforts are supplemented with applications for grants, but we also need your help. We have set up a fund to maintain the fabric of the church building. It is ring-fenced for this purpose only and so cannot be diverted for other purposes.

As members of the community we hope you might have a similar vision for this historic building. If so we ask you to consider making a regular contribution as outlined on this form.

Thank-you for your continued support.
