

Clerk's Report

01 November 2021

| No | ITEM | INFORMATION | ACTION |
|----|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| 1 | EV Chargers | The tender has been advertised on the Contracts Finder as per Financial Regulations. I have dealt with around 30 enquiries and have conducted 7 site surveys and received two completed tenders. The deadline is 05 November and all tenders will be considered at the Policy and Resources meeting. | For Info |
| 2 | Holiday Let Permits | I have received a complaint regarding the withdrawal of parking permits to holiday lets and second homes. This complaint will be considered at the Policy and Resources meeting. | For Info |
| 3 | Highways | Ian and I met with Karl Melville on Thursday 21 October. We had a positive meeting and Karl has suggested a site meeting with YDNPA Planners to sort out the issues surrounding Barth and Stonehouse Bridge. We are currently trying to arrange this. | For Info |
| 4 | Goal Posts | Delivery of new goal posts for the playing field funded from the money received from Dentdale Show along with a grant from the Football Foundation has been delayed due to availability of a smaller delivery vehicle. | For Info |
| 5 | Charge My Street | I am still awaiting a response from Charge My Street regarding the groundworks. I have also requested that the lamp posts are lowered and painted black along with the crash barrier around the charging units. | For Info |
| 6 | Car Park Improvements | The windows for the toilet block will be fitted as soon as the weather is ok. A 30% deposit has now been paid on these. | For Info |
| 7 | Phone Box | The phone box outside the reading room has now had a new coat of paint applied. While there is still work to do on the inside etc. it is looking much tidier. I have passed on thanks to Andy Horrocks. | For Info |
| 8 | Sepia Barn | I have issued the invoice for the new footway light next to Sepia Barn to Mr French. | For Info |
| 9 | Ticket Machine | I have had cause to refund three people for overpayments through the ticket machine. This has been misuse by the user and not the fault of the machine. I have now placed instructions on the machine for its use and a notice advising no refunds will be issued. | For Info |
| 10 | Francis Obale | I have been copied in to a number of emails between Dr. Obale and Castles and Coasts Housing Association. Dr. Obale seems to be complaining about repairs to his flat that have not been done, however CCHA advise that he denies them entry and has rent arrears. I have advised Dr. Obale and CCHA that while the council wishes to assist its residents, it cannot get involved in this kind of dispute. | For Info |

|----|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|
| 11 | Dodderham Moss | I have been contacted by a solicitor from Preston who owns one of the properties relating to Turbary Rights at Dodderham Moss. He has taken on the task of writing to the tenant to try to get the outstanding rent paid. He does not wish to take on the job full time though. This will need to go back to the Amenities and Environment Committee. | For Info |
| 12 | Waste Bins | Ian and I met with Andrew Vickers and other colleagues from SLDC regarding the emptying of waste bins in Dent. We walked round the village and agreed to the removal of the dog waste bin at the bottom of High Laning campsite to be replaced with a standard waste bin. Repositioning of the waste bin at the top of Beech Hill to outside the shop and repositioning of the bin opposite the entrance to the playing field. | For Info |
